**RESPONSE TO NOTICE OF ALLOWANCE**

In response to the Notice of Allowance mailed March 16, 2004, enclosed are a completed issue fee transmittal form PTOL-85b and a check for \$995 for the required issue fee and publication fee, including patent copies.

The allowed independent claims are distinguished from the cited prior art for at least the reasons stated in the examiner's Reasons for Allowance, which are sufficient for allowance of all claims. Those reasons, however, are not necessarily the only reasons for allowability of the various claimed combinations, and Applicants maintain that patentable subject matter is disclosed that does not necessarily feature the limitations mentioned in the Examiner's reasons for allowing the pending claims.

Please apply any additional charges or credits to our Deposit Account No. 06-1050.
